

Systeme Marocaine (T+M: Dimi)

1.Verse When the cockroach comes and your stomach hurts again
 And U might have heard of Systeme Marocaine
 When U feel ripped off like U are in Amsterdam
 At least the Hash is cheap and it's stronger man

2.Verse When the cockroach comes and the aint is also there
 And U run to the toilet pull the surfshorts that U wear
 Man it smells so bad that U nearly have to puke
 Even stronger than all animals on the souk

Chorus: Systeme Marocaine
 Good good system
 Systeme Marocaine
 Very good system

3. Verse Yeah the cockroach comes and the fly is in your ear
 And police stops U at airport Agadir
 Dirham or cigarettes is all that U can hear
 Not with me my friend I am out of here

4.Verse When the cockroach comes and U're on the camels' back
 And U ride on the beach screensaver for your Mac
 And the man with argan tries to sell another time
 Miel made at home but I don't want it NEIN

Chorus: s.o.

5.Verse When the cockroach comes and the dog is barking loud
 And U try to stay calm but then U have to shout
 But the god damn dog doesn't get a fucking thing
 Speak Berber man or maybe you should sing

Chorus: s.o.
